#### **All Harris Moore Stretcher bars are sold per pair and include x4 Birch ply wedges**

Exact sizes are available (2-3mm tolerance) please cost at next size up e.g. if you need stretcher bars at 53cm you will need to purchase 60cm bars. Please enter the exact size you need in the text box provided (website) or tell us when ordering by phone or email.

**Cross bars** can be used with 44mm and 25mm bars, We recommend the use of single crossbars on all frames with one dimension longer than 90cm / 36". Notched cross bars are recommended on frames with both dimensions greater than 90cm / 36" e.g. you will need to purchase two notched cross bars for a frame 90cm x 90cm. All Harris Moore Cross bars have jointed ends for frame expansion.

**All prices are excluding VAT** and do not include Trade discount.

If you would like to know more about our Trade discount scheme please call us on **0121 248 0030**
